Thank you for choosing Optilia products.

This product has been tested with Windows 7 Professional, Windows 8.1 and Windows 10.

If you have problems running on other versions, please contact your dealer or send a mail to [info@optilia.eu](mailto:info@optilia.eu)

Below you will find step by step instructions on how to install.

1. Double click on "Optilia 5.0MP Camera Setup Vx.x.exe" and follow up the on-screen instructions.

2. Connect the Flexia into a free USB port of your PC when it is asked from the installer software.

3. Once the installation is complete, it is recommended to restart your pc.
